The Controller declares that the data will only be stored on servers located within the European Union.

The Controller informs you that if, on a given website, you have given your consent to your profile picture being displayed on other sites and platforms, then such picture may be automatically displayed in the user account you create with the registration. The Controller will not store or process such photo, and it will only be processed by Auth0 as an individual controller; the Controller will not be liable for the lawfulness of the processing of such photos in any event.

The Controller will not transfer personal data to Auth0.

## **7. Information regarding consent**

Provision of the data is voluntary. It is not mandatory for you to provide your personal data, but without doing so, you will not be able to register and create a user account. You are not obliged to provide the email address and arbitrarily chosen name of a third party, but without doing so, you will not be able to transmit the selected ticket. By registering, you expressly give your informed consent to the Controller's processing of the personal data specified in this Privacy Notice and provided by you related to the performance of the tasks related to registration/creation of the user account, and the transmission of the same to parties involved in the provision of facilities for registration/creation of the user account and operation of the Platforms. If you consent to the processing of the personal data by the Controller, the Controller will store your personal data in its database. The personal data may be accessed by the persons involved in the provision of the registration, the user account and the Platforms, as well as the persons performing the related technical and staff-related tasks.

The Controller will not transfer personal data to third countries.

## **8. Data security**

The Controller will process the personal data recorded by it in accordance with the provisions of the effective legislation. The Controller warrants that the processing will be in compliance with the effective legal provisions at all times.

The Controller will ensure the security of the personal data, implement appropriate technical and organisational measures to ensure the protection of the collected, stored and processed data, and prevent the destruction, unauthorised use, and unauthorised alteration of the data.

The Controller will prevent unauthorised access to, as well as the unauthorised disclosure, alteration or erasure of personal data.

The Controller will take all reasonable measures in order to prevent damage to or destruction of the data. The Controller will cause its employees involved in its processing activity, as well as Processors acting on its behalf to comply with the aforementioned obligation.

## **9. Rights, remedies, complaints**

Pursuant to the GDPR, the data subject has the right to request access to his or her personal data, to request information regarding the processing (which the Controller must give within 30 days at the latest), to request rectification or deletion of the personal data (deletion does not affect the lawfulness of the processing conducted based on consent prior to the withdrawal of the consent), or to request restriction of the processing. In certain cases (e.g. where the purpose is direct marketing), you may object to the processing of your personal data.

If you consider that the Controller violated any of the legal provisions relating to data processing, please contact primarily us at the above contact addresses or the [dpo@sziget.hu](mailto:dpo@sziget.hu) email address. If this proves to be unsuccessful, you may initiate the proceeding of the **Hungarian National Authority for Data Protection and Freedom of Information** (*Nemzeti Adatvédelmi és Információszabadság Hatóság*; H-1125 Budapest, Szilágyi Erzsébet fasor 22/c.; email: [ugyfelszolgalat@naih.hu](mailto:ugyfelszolgalat@naih.hu)) or turn to **court**. (In other regards, the provisions of Sections 14-23 of the Privacy Act and Articles 15, 17, 18 and 21 of the GDPR apply.)

The Controller will not apply automated decision-making or profiling in the scope of this processing, given that this processing is based on your explicit consent.

## 10. Liability

Please note that Gmail, Facebook and Auth0 are individual controllers, and the Controller will not be liable for the processing activities conducted by them.

The Controller will not be liable for any temporary inaccessibility of the website containing this Privacy Notice due to technical reasons. The Controller will also not be liable for malfunctions arising from circumstances outside its control (such as technical malfunctions or interruptions of the internet network) and their consequences.

The registration and the user account will not be managed by Gmail or Facebook.

Gmail, Facebook and Auth0 will be individually liable for their own processing activities.
